

COMMUNITY NEEDS

The survey methods explained in Exhibit 3, supra, have demonstrated that Applicant should meet the following community needs:

- (1) Consolidation of the governments of Roanoke County, Vinton and Salem to provide better cultural, recreation and other facilities and to augment industrial development;
- (2) Consolidation of schools in the Roanoke Valley to provide for more efficient and improved educational facilities;
- (3) Sewage sanitation of the Roanoke Valley to eliminate pollution in Roanoke River; a controversy thereon exists between the City and the County of Roanoke;
- (4) Airport improvement to improve traffic flow, attract more industry and tourists and the like;
- (5) Better support of local sports teams, organizations, and the like, to help develop these clubs;
